Hi Craig – Thanks for getting the ball rolling and sending us your availability. My understanding was that you would be making the arrangements but we're happy to do this. I was planning to call our office if I didn't hear something today. I'll have Patrick coordinate and we'll send out a meeting invite.

Thanks,

Gail Fallon

Gail,

Based on conversations between Monica Morales and Terry O'Clair, it is my understanding that you will be setting up a conference call next week between EPA, the Park Service and our Department to discuss the Meridian Energy – Davis Refinery permit application.

Don Shepherd with the Park Service has indicated that he is interested in participating along with John Notar and Wendy Ross from the Park Service. From our Department we will have Terry O'Clair, Jim Semerad, Rheanna Kautzman, David Stroh and myself.

The times we are currently available next week (all times listed are in Central Time) are as follows:

Monday: All day

Tuesday: All day except for 9:00-10:00 am

Wednesday: Available in the PM

Thursday: Available in the AM except for 9:30-11:00 am

Not available Thursday PM

Friday: All day

Please contact me if I can be of any assistance.
